Memo

To: Office and Field Personnel, etc.
From: Simon Gundy, Assistant Superintendent
Date: August 1, 2011
Re: Fire Hydrant Flushing

Operation and Maintenance personnel will be conducting their annual fire hydrant flushing and maintenance within our service areas throughout the fall of 2011.

The tentative schedule for flushing and testing is as follows:

- Waterline 900 (Fostoria, Charter Steel) July 25-July 26, 2011
- Waterline 300 (Bowling Green Water) August 1-August 26, 2011
- Waterline 2300 (Weston) July 26-July 29, 2011
- Waterline 400 (Perrysburg Water) September 13-October 1, 2011
- Waterline 100 (Toledo Water) October 4-October 29, 2011
- Waterline 200 (Oregon Water) November 1-November 30, 2011

Public notices for these will be sent as appropriate.

I am available should you have any questions.

Simon Gundy
