Re: Five Point Road Area, Wood County

Dear Mr. Greiner:

I have received the December 30, 2012 letter from Thomas Stalter, P.E. of Poggemeyer Design Group, concerning the Five Point Road unsewered area which includes the Sheltons Gardens subdivision.

We are agreeable to your chosen option of providing sewers in this area and accept the proposed implementation schedule. We will await the submittal of a revised permit to install for this project.

If you have any questions, please contact Patricia Tebbe of the Northwest District Office at (419) 373-3016 or via email at patricia.tebbe@epa.state.oh.us.

Sincerely,

George Elmaraghy, P.E., Chief
Division of Surface Water
