

SEWER TAPPERS BOND

This agreement is made on the _____ day of _____ 20____, between _____ as Principal, _____, as Surety, and the Northwestern Water & Sewer District.

The Parties recite and declare that Principal has been granted a license by the Northwestern Water & Sewer District to tap and make connection with public sewer and drains in Wood County, Ohio until December 31, 20 ____, the same having been granted subject to the rules and regulations of the Northwestern Water & Sewer District. Such rules and regulations provide as a condition precedent to the granting of said license that a bond be furnished in the amount of Ten Thousand Dollars (\$10,000). Principal and Surety hereby bind themselves, their heirs, executors, administrators, representatives, successors, and assigns, jointly and severally, for the payment of such bond.

The condition of this obligation is that, if Principal shall comply with the rules and regulations of the Northwestern Water & Sewer District, and shall promptly pay the Northwestern Water & Sewer District for any and all loss and damage the Northwestern Water & Sewer District may sustain, either directly or indirectly, by reason of Principal's tapping or by Principal's making excavation for such connection or connections with said public sewers or drains, or if Principal makes, within forty-eight (48) hours after receiving notice in writing by the Northwestern Water & Sewer District, any and all repairs that become necessary within one (1) year from the date of said tap of connections, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

The parties have executed this Agreement at _____, Ohio, on the above date. Term of Bond is January 1, 20____ through December 31, 20____.
