

Friday, May 1, 2020

Hello,

We hope this letter finds your family well during these trying times. The District continues to do everything possible to provide essential water and sewer services. We realize this crisis has not only impacted our health, but it also leaves many in our community with financial challenges.

Do you have a friend or neighbor in need of help in paying their water and sewer bills? We are partnering with the Salvation Army to start a program to help those in financial emergency get back on their feet, following this crisis. This fund will help those pay their water and sewer bills.

The District Board of Trustees recently approved a one-time allocation to start this fund. If you're able, please donate to ***The District Pay It Forward Program***. The form is included in this mailer.

If you're unable to donate at this time, you can support us at a later date as this important program will be a permanent and important part of our District. You can advocate for us by sharing our mission with a family member or friend who lives in The District. Even a quick mention on your social media would mean the world to us.

If you are in need, we want to remind you that we will not disrupt water or sewer services during this crisis. The Salvation Army will be administering the funding once it is considered safe to meet face to face. For more information on the program, go to www.nwwsd.org.

Now, more than ever, our community needs us. And we need you. Thank you for your consideration.

Stay safe and well,
NORTHWESTERN WATER AND SEWER DISTRICT

Jerry Greiner

PAY IT FORWARD WATER & SEWER ASSISTANCE

YOU CAN MAKE A DIFFERENCE

The Northwestern Water and Sewer District is partnering with the Salvation Army to help local homeowners dealing with financial hardships. The "Pay it Forward" Water and Sewer Assistance Fund uses generous donations from our customers to help one another with water & sewer bills during crisis situations. All donations are forwarded to the Salvation Army to assist people in need.

PAY IT FORWARD PROVIDES

- Local donations that help your neighbors in financial hardship.
- Keeps utilities on and provides dollars for other emergency needs.
- Gives you an opportunity to change your community.

You can donate to the Pay It Forward program one time or monthly.
Check the option that works best for you.
