RE: Sugar Ridge Public Information Meeting

Dear Property Owners:

The Northwestern Water & Sewer District ("District") will be hosting a virtual public information meeting to provide an update on the planned sanitary sewer project which could affect your parcel. We realize it has been some time since we provided information on this project to the area owners. Some significant project changes have occurred since we last reached out to you which is why we would like to host another meeting.

In response to safety guidance issued by the Ohio Dept. of Health, this meeting will take place via webinar/teleconference call. You will be able to listen and text in questions by following these instructions:

Webinar: Join the webinar by using this link (or typing it in your web browser):

<https://us02web.zoom.us/j/84400587472>

Phone only: On Wednesday, December 16, 2020, at 6:00 p.m., use your phone to dial: 1-312-626-6799. When prompted, use Meeting ID: 84400587472, followed by #. You may be prompted to enter a "Participant ID". If so, press # to skip.

During this meeting, we will cover topics such as the Ohio EPA mandate for sewers, the design for the sanitary sewerline project, the updated timeline for the project and how this affects your property.

We have set up a dedicated project page on our website. We will post information on this page as the project progresses. The link to this page is: <https://www.nwwsd.org/sugarridge>.

We hope you can attend this meeting. In the meantime, if you have any questions, please contact us at: (419) 354-9090 ext. 174 (Tom Stalter), ext. 127 (Garret Chamberlain) or ext. 125 (Matt Dennis, Project Manager).

Sincerely,
NORTHWESTERN WATER & SEWER DISTRICT
