BOARD OF TRUSTEES

NORTHWESTERN
THE DISTRICT
WATER & SEWER

Responsible for every drop.

The District Mission

Our goal is to be the premier water and wastewater provider in Northwestern Ohio. We are committed to sound financial management, responsible environmental stewardship, responsive public service, superior customer service, and responsible economic growth. We strive to field a skilled, respectful, and cooperative workforce dedicated to the highest professional and ethical standards; we support them with appropriate training and technology.

The Board Mission

The District board provides ongoing financial and strategic oversight to advance our mission. In support of their responsibilities, the board will ensure that personnel, processes and an organizational structure are in place within both the board and senior management to carry out the goals of the organization. The board will foster appropriate communication and interaction with management, the community and various governmental entities to ensure that the mission of The District is successful.
