

The U.S. Army Corps of Engineers - Buffalo District proposes to partially fund Northwestern Water and Sewer District for the design and construction of a new wastewater collection system along Sugar Ridge/Mercer Road in Center and Middleton Townships, Wood County, Ohio.

An Environmental Assessment and Finding of No Significant Impact for the project is available for review at: <https://www.lrb.usace.army.mil/Missions/Civil-Works/Public-Review-Documents/>.

Please submit any comments within 30 days from the date on this notice to: SugarRidge594@usace.army.mil.
